

SAFETY DATA SHEET

1. Identification of the preparation and of the company/undertaking

Product Name and/or Code : MAST CARE 67131

Company name and address : Blakes Paints
Swanwick Marina
Southampton
Hampshire
Tel.: 01489 864440

Emergency phone:
01489 864440
See section 4 First aid
measures.

Product Type : mineral oil

Field of application : private (yachts).

Date of issue : 22-01-2004.

Date of Previous Issue : 10-07-2003.

2. Composition / information on ingredients

Ingredients presenting a hazard within the meaning of EU and National regulations.

To present knowledge of the supplier, this product does not contain any hazardous ingredients in accordance to EU regulations or National regulations.

3. Hazards identification

This product is considered non-classified according to the national and EU regulations.

4. First-aid measures

- General : In all cases of doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.
- Inhalation : Move the person into fresh air and keep the person under surveillance.
- Eye Contact : Check for and remove any contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. In all cases of doubt, or when symptoms persist, seek medical attention.
- Skin Contact : Remove contaminated clothing and shoes. Wash skin thoroughly with soap and water or use recognized skin cleanser. Do NOT use solvents or thinners.
- Ingestion : If swallowed, seek medical advice immediately and show this document. Keep person warm and at rest. Do NOT induce vomiting unless directed to do so by medical personnel. Lower the head so that the vomit will not reenter the mouth and throat.

5. Fire-fighting measures

Exposure to decomposition products may cause a health hazard. Fire-fighters should wear proper protective equipment. Cool closed containers exposed to fire with water. Do not release runoff from fire to sewers or waterways.

- Extinguishing Media : Recommended: alcohol resistant foam, CO₂, powders, water spray.
Not to be used : waterjet.

6. Accidental release measures

Contain and collect spillage with non-combustible absorbent materials, e.g. sand, earth, vermiculite, diatomaceous earth, and place in container for disposal according to local regulations (see section 13). Do not allow to enter drains or watercourses. Clean preferably with a detergent; avoid use of solvents. If the product contaminates lakes, rivers, or sewers, inform the appropriate authorities in accordance with local regulation.

7. Handling and storage

Handling

Handle with care and dispose in a safe manner.

Appropriate personal protective equipment: see Section 8.

Always keep in containers made from the same material as the original one.

Storage

Store in accordance with local regulations. Observe label precautions. Store in a cool, well-ventilated area away from incompatible materials and ignition sources. Keep out of the reach of children.

Keep away from: Oxidizing agents, strong alkalis, strong acids. No smoking. Prevent unauthorized access. Containers that are opened must be carefully resealed and kept upright to prevent leakage.

8. Exposure controls/personal protection

- | | |
|------------------------------|---|
| Engineering measures | : Arrange sufficient ventilation by local exhaust ventilation and good general ventilation to keep the airborne concentrations of vapors or dust lowest possible and below their respective threshold limit value. Ensure that eyewash stations and safety showers are proximal to the work-station location. |
| Hygiene measures | : Wash hands, forearms, and face thoroughly after handling the product and before eating, smoking, using lavatory, and at the end of day. |
| Occupational Exposure Limits | : Not applicable. |

Personal protective equipment

- | | |
|---------------|---|
| General | : Gloves must be worn for all work that may result in soiling. Apron/coveralls/protective clothing must be worn when soiling is so great that regular work clothes do not adequately protect skin against contact with the product. |
| Skin and body | : If necessary wear protective clothing. Always wear protective clothing when spraying. |
| Hands | : Wear suitable gloves. Barrier creams may help to protect the exposed areas of the skin, but should not be applied once exposure has occurred. Barrier creams may not be used under or instead of gloves.
It is not possible to specify precise type of gloves, since the actual work situation is unknown. Supplier of gloves should be contacted in order to find the appropriate type. |
| Eyes | : Use safety eyewear designed to protect against splash of liquids. |
-

9. Physical and chemical properties

- | | |
|---------------------|----------------------------------|
| Physical state | : Liquid. |
| Density | : 0.851 g/cm ³ |
| Solubility | : Not available. |
| Flash point | : Closed cup: 195°C (383°F). |
| % Solvent by Weight | : Weighted average: 0 % |
| % Water by Weight | : Weighted average: 0 % |
| VOC Content | : Weighted average: 0 g/l (CEPE) |
| TOC Content | : Weighted average: 0 g/l |
| Solvent Gas | : 0 m ³ /l paint |

10. Stability and reactivity

Stable under recommended storage and handling conditions (see section 7).

When exposed to high temperatures (i.e. in case of fire) harmful decomposition products may be formed:
Not available.

11. Toxicological information

Effects and symptoms

12. Ecological information

The product must not be drained into water courses or drainage system.

13. Disposal considerations

Residues of the product is not listed as hazardous waste. Dispose of according to all state and local applicable regulations.

European waste catalogue no. (EWC) and national waste group, catalogue, code or number is given below.

EWC no. : 08 01 12

14. Transport information

Transport may take place according to national regulation or ADR for transport by road, RID for transport by train, IMDG for transport by sea.

The transport classification is according to ADR 2003, IMDG edition 2002 (incl. Amdt. 31-02).

	UN-no.	Proper shipping name	Class	PGr.	Label	Additional information
ADR/RID Class		Not dangerous goods	-	-		-
IMDG Class		Not dangerous goods	-	-		-

15. Regulatory information

Classification and labelling according to EU-Directives (the Preparations directive etc.).

Risk Phrases : This product is not classified according to the EU regulations.

Other EU Regulations

Classification and labeling have been performed according to EU directives 67/548/EEC, 1999/45/EC including amendments and the intended use.

- Consumer applications.

16. Additional information

Notice to Reader

Modified data or content compared with the previous version are marked with a triangular marker in the upper-left corner within the Safety Data Sheet.

The information contained in this safety data sheet is based on the present state of knowledge and EU and national legislation. It provides guidance on health, safety and environmental aspects for handling the product in a safe way and should not be construed as any guarantee of the technical performance or suitability for particular applications. It is always the duty of the user/employer to ascertain that the work is planned and carried out in accordance with the national regulations.
